Introduction

As a specialist school in Performing Arts,
John Masefield High School began offering evening classes in January 2008.

We are delighted to have secured external funding, which means that we have been **able to reduce the cost of the courses**. The classes have been successful due to really good teachers, a relaxed atmosphere, and comfortable facilities.

All our tutors are very friendly and experienced: some teach at Hereford Art College, Malvern Hills College and at Worcester College, some have their own design companies, others regularly exhibit their work and are freelance.

To enrol and to check availability please contact Jeanette McCulloch at JMHS. You may have to leave a message, especially during the school holidays, as we are not in the office every day, but we will get back to you as soon as possible.

(JMHS Community Arts Coordinator)
